## TEXAS *POWERBALL*® TICKET SOLD IN BOERNE MATCHES FIVE NUMBERS TO WIN \$1 MILLION

(AUSTIN) – While one jackpot winning ticket for last night's record *Powerball*® drawing was sold in Florida, one lucky Texan matched five numbers (10-13-14-22-52), but not the *Powerball* (11) to win \$1 million. Additionally, 19 Texas tickets matched four numbers plus the *Powerball* to win \$10,000. Since five of those players also purchased the *Power Play*® option, their prizes are increased to \$40,000. Overall, there were 471,863 winning *Powerball* tickets sold in Texas for last night's drawing and 7,598,547 sold nationwide.

“We’re excited about the new Texas millionaire created as a result of last night’s record-setting *Powerball* drawing,” said Gary Grief, executive director of the Texas Lottery®. “But we’re even more excited about how our incredible sales helped generate more revenue for public education.”

During yesterday’s peak selling period between 7:00 p.m. and 7:59 p.m., the Texas Lottery had \$2,202,278 in sales. For that same hour, sales per minute were \$36,705.

The Texas \$1 million winning ticket was sold at the J.W. Hope #2 (Quick Pantry) located at 942 N. Main St. in Boerne.

The final amount of the advertised \$600 million jackpot was \$590.5. This was the largest *Powerball* jackpot ever and the second-largest jackpot in history for any lottery game.
