SCRATCH-OFF PLAYER FROM SAN ANTONIO WINS CUSTOM MOTORCYCLE IN *LUCKY RIDER* DRAWING

(Austin) – Motorcycle enthusiast Paul Hilton of San Antonio found a Texas Lottery® game perfect for him, and there was only one prize he hoped to win, the Lucky Rider pro-street bike designed by LDT Customs, Inc. He played the *Lucky Rider* game faithfully and mailed in each non-winning ticket for the second-chance drawings. His perseverance paid off when he received the call informing him of his win.

“I heard what they said, but I couldn’t believe it,” said Hilton. “I still can’t believe I won.”

Hilton claimed the second of three motorcycles to be awarded in second-chance drawings. The final drawing will be scheduled for a date after the end of the game. Players who wish to enter that drawing should fill out the back of their non-winning *Lucky Rider* ticket, affix a first-class stamp and mail.

Lucky Rider features more than \$17 million in total prizes. Two instant-win bikes and two \$50,000 cash prizes remain unclaimed. Overall odds of winning any prize are one in 3.70, including break-even prizes.

(Texas Lottery Commission, News Release, continued)

“The Lucky Rider is the second motorcycle prize provided by LDT Customs, Inc. They also designed the Texas Ranger Limited Edition Silver Series motorcycles,” said Texas Lottery Commission Deputy Executive Director Gary Grief. “Our winners so far seem impressed with the quality and attention to detail evident in these bikes, and we predict Mr. Hilton will be equally pleased when he receives his prize.”

Friday’s *Mega Millions*® jackpot is an estimated \$140 million. Saturday’s *Lotto Texas*® jackpot is an estimated \$21 million.
