## **TEXAS TWO STEP® JACKPOT REACHES HIGHEST LEVEL IN MORE THAN A YEAR; PLAYERS CAN TRY FOR \$1.35 MILLION**

(Austin) –Texas Lottery® players can play for \$1.35 million in tomorrow night's *Texas Two Step*® drawing. That's the highest jackpot for this game since March of last year.

"The big jackpot games may get more attention, but *Texas Two Step* has attracted a loyal following with its easy play style, good odds and significant jackpots," said Texas Lottery Commission Executive Director Gary Grief.

The *Texas Two Step*, like its name suggests, requires two steps to play. Step one: Select four numbers from one to 35. Step two: Select a Bonus Ball number from one to 35.

Prizes start at \$5 for matching only the Bonus Ball number. The overall odds of winning any *Texas Two Step* prize are one in 32, and drawings are held Mondays and Thursdays.

Also featuring impressive jackpots, tonight's *Powerball*® drawing has an estimated jackpot of \$145 million, and the *Lotto Texas*® jackpot is an estimated \$93 million. Friday's *Mega Millions*® jackpot is an estimated \$54 million.
