AFTER THREE MONTHS, WINNING *LOTTO TEXAS*[®] TICKET PURCHASED IN BURLESON STILL A MYSTERY

(AUSTIN) – More than halfway through the 180-day claim period, Texas Lottery[®] officials are still waiting to hear from a *Lotto Texas*[®] jackpot winner who purchased a ticket in Burleson.

“We know that someone purchased a winning ticket for the *Lotto Texas* drawing on May 6, but we haven’t heard from the winner,” said Texas Lottery Commission Deputy Executive Director Gary Grief. “Everyone who purchased a ticket at the Big Country Mart should take this opportunity to check those tickets. There may be a prize worth more than \$7 million waiting for you in Austin.”

Burleson’s Big Country Mart, located at 4624 Highway 1187, sold the winning ticket, and the winning numbers selected by the player were 4 – 14 – 21 – 29 – 34 – 43. Although the *Lotto Texas* drawing held on May 6 had an estimated annuitized jackpot of \$11 million, the player chose the Cash Value Option worth \$7,131,735.60.

Tonight’s *Mega Millions*[®] jackpot is worth an estimated \$146 million. Saturday’s *Lotto Texas* jackpot is worth an estimated \$37 million. This is the highest *Lotto Texas* jackpot amount since April 2007.
