(Austin, March 22) - Sarah Mayberry of Oak Cliff had all weekend to think of something she wanted to buy, and after collecting her \$110,000 *Wild 10's* scratch game prize, said she and her husband are going to start looking for a new house.

"We're going to stay in the Oak Cliff area," Mayberry told lottery officials. "I'm just so excited."

Mayberry is the fourth winner of the top-cash prize for the Texas Lottery® *Wild 10's* scratch-off game. She purchased her ticket on Saturday at the 7-Eleven store located at 5501 S. Buckner in Dallas.

"I've always bought *Break the Bank* tickets, but decided to try my luck at a \$10 game," she explained. "I got so excited when scratching the ticket in my car; I went back inside the store and asked a police officer if what I was seeing was right. He said, 'Yes, ma'am, it looks like it.' I was so nervous; I called my husband to come get me. I couldn't drive back home."

"I expect Ms. Mayberry and her husband will find just the right house they want using their *Wild 10's* prize money," said Reagan E. Greer, executive director of the Texas Lottery Commission. "And even with Spring Break going on last week, the Texas Lottery didn't take a break handing out nearly \$40 million in cash prizes to other lucky winners across the state."
