CHARITABLE BINGO ALLOCATIONS TO CITIES, COUNTIES AND THE STATE'S GENERAL REVENUE UP BY 6.7 PERCENT OVER LAST YEAR

(AUSTIN) –More Texans ventured out to play charitable bingo during the second quarter of 2011. That brought cities and counties that allow the conduct of charitable bingo in their jurisdictions allocations that totaled \$3,289,684.07, as well as an additional \$3,634,345.63 to the General Revenue Fund. Total allocations increased 6.7 percent compared to the same quarter last year.

State law requires a licensed authorized organization conducting bingo to collect from a player who wins a bingo prize of more than \$5 a fee of five percent of the amount or value of the prize. The non-profit organization then remits to the state a total fee equal to five percent of the amount or value of all bingo prizes awarded.

Cities and counties that imposed the gross receipt tax on a local-option basis on or before January 1, 1993, receive quarterly payments of up to 2.5 percent of the prizes won by bingo players in their jurisdictions. The remainder of the amount collected is deposited in a non-dedicated account in the General Revenue Fund.

Allocations during the second quarter of 2011 rose by 6.7 percent, or \$435,978.88, compared to the same quarter in 2010 when allocations were \$6.4 million.
